THE BULLDOG STAFF

ADMINISTRATION

To the Graduating Class of 1969:

It is with honest and sincere regrets that we must part, each to go in his chosen direction.

I have learned to admire you and boast with pride at being a part of your school; my life has been enriched by my association with you. Your dedication, perseverance, and self respect has demanded the respect of all that know you. I know of no other school that has the pride and willingness to achieve that we have with the Golden Bulldogs.

I hope that your Alma Mater has so benefited you that your life may be a joyous success. Best of luck to each of you in the years to come.

Respectfully yours,

Tom Johnson

People who achieve happiness and success are those who refuse to accept the idea of defeat. They know it is the thought of defeat that causes defeat, so they go to work and organize victory out of mistakes.

To the students of Lynch High School:

We, the Annual Staff of 1969, dedicate this annual to you. Without your cooperation the publication of this annual would not have been possible.

To the Freshmen who are making the same mistakes we made four years ago.

To the Sophomores who are just beginning to get the hang of things.

To the Juniors who will take our place next year.

And to our fellow Senior classmates who will always remember and cherish the memories of the good ole days at Lynch High School.
